Now Available!

The UEC have produced the 2010 edition of their fleet book covering the current Arriva North East (incorporating Arriva Northumbria, Arriva Tees & District, Arriva Teesside and Arriva Durham County) fleet. It contains a full fleet listing, several pages of photographs and a full listing of all known current timetable leaflets (correct to June 2010).

This is available to both members and non-members for £2.80 (including postage). It is 32 pages long, size A5 and features good quality professional black and white printing throughout.

Special offer! We still have very limited supplies of the 2008 and 2009 fleetbooks available. You may purchase the 2010 fleetbook plus either one of the other two for a combined price of £4.00 or all three for £5.00.

To get hold of your copy, please send a cheque or postal order made payable to **“United Enthusiasts Club”** to myself – my address is inside the UEC newsletter. Non-members, please email me on jeffsbuslane@yahoo.co.uk and I will send my address via email. Remember to state clearly which books you require if you are ordering ones from past years.
