

# **UNITED ENTHUSIASTS CLUB**

## **ARRIVA NORTH EAST**

The club was formed in 1984 with the support and encouragement of United Automobile Services, and continues to flourish with the help of the successor companies under the Arriva North East name, including Arriva Northumbria. It caters for the growing number of bus enthusiasts interested in these operators and in the history of United and its immediately associated companies. The club has some 180 members living as far afield as Scotland, the south coast and Devon as well as in the local area.

Members are kept informed by a monthly illustrated newsletter containing vehicle and service news of Arriva North East, articles, letters, book reviews, comment and details of events. There are also major articles, usually historical, and the newsletter provides a platform for members to share the results of their researches. Publication is in the second half of the named month, and by courtesy of Arriva each issue usually contains the Company's vehicle allocation sheets for that month.

Meetings are held at various locations, and excursions are organised from time to time to places of interest.

The annual subscription covers a period of twelve months dating from 1st November, and should be sent with the completed form below to the Honorary Membership Secretary, Mrs W Howard, 2 Harley Lane, Catterick Garrison, Richmond, North Yorkshire DL9 4JL. Members joining during the year receive the appropriate back numbers of the newsletter commencing with the November issue.

For 2010-2011 the subscription is a minimum of £17. Please make cheques or postal orders payable to "United Enthusiasts Club". If you require a receipt, please include a stamped addressed envelope with your application.
